“More Things I learned From My Pastor” - Larry Taylor -

Ministry is service. It is laying down your life for others.

It is taking the place of the slave, the servant of all.

It is following the example of Jesus, Who, though the creator of the universe, washed His disciple’s feet.

Open your eyes and be creative. Look for ways to help the Pastor, Staff, and Congregation. Most true biblical love is demonstrated in the simple things of Gods
