Disciples still had human responsibility.

Luke 22:13 And they left and found everything just as He had told them; We are not to fear preparations when God is leading us.

and they prepared the Passover. God uses common things like willing people, rooms, bread, cups, wine to accomplish His purposes.

Why all this preparation and secrecy? Judas was looking for an opportunity to betray Jesus, so Jesus saw to it that this most important time was not interrupted by His arrest. This Passover was the fulfillment of 3000 Passovers.
