2. Haggai 2:23 The Promised Messiah:

Application:

1. The work of God is begun, sustained, and encouraged by the Word of God.
2. God's servants must work together to build God's temple. Haggai and Zechariah, an older man and a younger man, both ministered the Word to the Jewish remnant, and God blessed their mutual efforts.
3. When the outlook is bleak, try the up-look. Apart from God's promises, we have no hope.
4. Putting God first is the guarantee of God's best blessing. Why should God's work suffer while we pursue pleasure and comfort for ourselves?
5. Apart from the power of the Holy Spirit, our labors are in vain.
Philippians. 2:13
"For it is God who works in you both to will and to do for His good pleasure"
